

Check out our Facilities

Here at **LIA** for the scuba diving internship programs we have affiliated with P J Scuba we pride ourselves on having the most comprehensive diving facilities and well stocked dive shop in Pattaya, Thailand. We pride ourselves on catering for the individual beginner diver to the most advanced technical diving addict. P J Scuba (Mermaids Group) has:

- 8-12 full time very experienced scuba diving instructors teaching scuba in English, French, German, Japanese, Dutch and Thai.
- 3 fully equipped classrooms catering for many students - **but private tuition is available on request.**
- 4 fully stocked dive shops (Bangkok, Pattaya and Jomtien) selling Scubapro, Mares, Suunto, Poseidon, Dacor, Saekodive, Sealife, Seac Sub, Technisub scuba equipment amongst many other brands.
- Fully equipped service center catering for all models of equipment including Poseidon (being one of only a handful of Poseidon specialists in Thailand).
- Fully equipped CDC 5 Star (IDC) center for those wanting to become professional diving instructors. CDC distinguishes us from the rest. We are the **ONLY** CDC (Career Development Centre) dive center on the Eastern Seaboard.
- DPV (Drive / diver propulsion vehicles) scooters for additional fun.
- Over 30 sets of mostly new and very well maintained rental equipment.
- Nitrox and Trimix (tri-mix) diving capabilities with a superbly designed and well presented air and mixed gas filling station (helium ready).
- Most advanced technical diving facilities on the eastern seaboard.
- PADI Tec Rec facilities and instructors.
- Comprehensive on site service center with extremely experienced technicians).
- Solo Divers courses.
- Dedicated 17 x 5 meter scuba dive training swimming pool.
- A factory for making custom made to measure / tailored wetsuits and lycra skins within 48 hours. One of only 2 in Thailand.
- **3** privately owned dive boats - **Allowing interns a much more varied choice of dive destinations than other shops.**
- **The ONLY A.S.S.E.T (Association of Scuba Service and Engineers and Technicians) Instructor in Asia. One of only a handful in the world - this is just our typical caliber of staff.**
- 24/7 telephone support for interns.
- Dedicated intern student lockers for all of your equipment and personal effects. (Safety deposit lockers inside the dive shop also).
- The most friendly and personal service you'll find around.
- Fantastic team players as staff and interns.
